LIKE THE SEA, ALIVE IN MOTION, NOW CAPTURED

# WHO IS PHISH?

Hi! I'm Hannah, an underwater photographer and content creator who's traded life on land for a life pretty much on or underwater. My passion for the ocean has led me to explore life with gills, capturing the beauty and mystery below the surface. With a strong foundation in marketing, I bring a unique blend of creativity and strategy to my work, crafting stories that resonate both visually and emotionally.

## HANNAH LAMB

- +IMAGE LICENSING FOR COMMERCIAL USE: FROM \$100/IMAGE**

**KEEN TO CHAT IF YOU HAVE SOMETHING SPECIFIC IN MIND!**

The background image shows a massive whale shark swimming gracefully over a vibrant coral reef at night. The shark's body is dark with numerous bright white spots, and its long, flat body cuts through the deep blue water. The reef below is a complex structure of glowing coral polyps.

## GUIDING & IN-WATER ROLES

HALF-DAY TOUR ASSISTANT GUIDE / SPOTTER: \$200–\$300

FULL-DAY IN-WATER PHOTOGRAPHER & MARINE GUIDE: \$350–\$400

CONTENT + GUEST SUPPORT COMBO ROLE: CUSTOM RATE (BASED ON SCOPE)

A large whale is captured mid-breach, its dark body arched as it comes out of the water. Its long, white-tipped tail is extended horizontally to the right. The background shows a hazy sky and the textured surface of the ocean.
